

HOW WILL EXPERTZ ON DEMAND.COM HELP SOLVE MY COMPANY'S PROBLEMS?

- **You will always have the talent you need, whenever you need it**
The growth of any company depends greatly on the talent it has available to operate and help the company grow. Expertz on Demand.com allows you to have a large network of talented freelancers ready to go at work for you whenever you need them.
- **Your company will have a new competitive edge over your competition**
Your company will now have the power to execute marketing campaigns, create iphone apps, Internet marketing campaigns, hire publicists and more all at the press of the button. You are no longer limited in what you can do no matter the size of your company.
- **Reduce the cost of operating and marketing your business**
While still having great talent just a click away, Expertz on Demand.com also allows your company to save thousands every year by not having to
 - purchase expensive equipment
 - software licenses
 - rent for large offices
 - extra office supplies
 - larger payroll taxes for full-time employees
 - never having to pay job boards, classified ads, recruiting agencies
- **Place your company at the cutting edge of technology**
Never be behind the market again, take advantage of being able to launch mobile apps for the iPhone, Android, iPad and other cutting edge technology. You are now able to capitalize on new technology with our freelancers doing the hard work and your company reaping the benefits.
